Bringing innovation to the event space industry with cutting edge amenities and production capabilities. Lavan 541 features 5000+ square feet of open space with 20 foot ceilings and is designed to host inspirational event experiences.

Lavan 541 is the perfect space for corporate conferences, production launches, pop up activations, fashion presentations, social and non profit events as well as photo and film shoots. Built into the venue is a state-of-the-art sound and lighting system, and a permanent installation of 270 degree projection mapping in the main room. Lavan 541 is street level, filled with natural daylight and centrally located at 541 West 25th Street, less than a 5 minute walk from Hudson Yards.
